Simple Steps to Prevent RSV

**ARE YOU READY** for the 2009-10 **SYNAGIS** season? It's hard to believe that its time to fax in enrollment forms. **KINGS** marketing representatives have been distributing **NEW** forms for the last few months. If you haven't received the new forms please call Richard Hayden or Janie Tichenor at **1-800-489-2609**. The provider section of the form will be completed by our staff and over-nighted to your office.

**THIS NEW SEASON BRINGS MORE INFORMATION AND NEW SERVICES!**

**THANKS** to your valued opinions, **KINGS** now offers **STATUS** updates on ALL your **SYNAGIS** patients. You will receive a faxed or emailed report to update you **throughout** the season. The report will help you track your patients last injection including date, weight, dose and location administered.

**WE DELIVER! KINGS** utilizes overnight delivery and in some locations we deliver by courier. **YOUR** patients **SYNAGIS** will be delivered before their injection is due.

**WE ARE HERE TO HELP!** The staff at **KINGS** understands how busy and rushed your work day can become. You can ask your **KINGS** marketing representative to assist you in completing the enrollment forms.

Janie Tichenor our **SYNAGIS** coordinator is also available by phone at **1-800-489-2609** to answer your questions.

**CHECK OUT OUR WEB SITE!** If you need more information about **SYNAGIS** just go to our web site. You will find resources such as the RSV assessment to help in indentifying possible candidates as well as the new risk assessment guidelines. Just go to [www.kingdrug.com](http://www.kingdrug.com), click **SERVICES** and then click on the **SYNAPED**.

**King Drug and Home Care is proud to be a regional provider of Synagis. Our SynaPeds program is designed to be the most effective and efficient bridge between the infant, the family, the health care provider and Synagis.**
